

CSH

Schraubkupplung für Rohrverschraubungen

Form E
Schraubkupplung mit gerader Rohrverschraubung

Form S
Schraubkupplung mit DKO-Dichtkegelanschluß

Test coupling for cutting ring couplings

Model E
Test coupling complete with straight coupling

Model S
Test coupling with taper and O-ring

Prises de pression pour bague coupante

Moule E
Union double avec prise de pression

Moule S
Prise de pression avec cône d'étanchéité et joint torique
